Straight No Chaser are neither strait-laced nor straight-faced, but neither are they vaudeville-style kitsch. They have emerged as a phenomenon with a massive fanbase and a long list of accomplishments. SNC is the real deal, the captivating sound of nine unadulterated human voices coming together to make extraordinary music that is moving people in a fundamental sense... and with a sense of humor. 228-3630 or [daytonlive.org.](#)
