## **Export Financing with SBA & EXIM Bank**

**Date:** Wednesday, May 22, 2019

**Time:** 1:00 p.m. - 3:00 p.m.

**Location:** The Entrepreneurs Center, 714 E. Monument Ave., Dayton, OH 45402

### **Summary: Is Financing part of your Export Strategy?**

If not, you could be missing out on important sales or you may be exposing your company to unnecessary risks.

Do not miss this opportunity to receive the latest information on financing programs available with U.S. government backing from the Export-Import Bank of the United States (EXIM) and the U.S. Small Business Administration.

EXIM Bank provides working capital guarantees (pre-export financing); export credit insurance; and loan guarantees (buyer financing). No transaction is too small. On average, more than 90% of EXIM Bank's transactions directly benefit U.S. small businesses.

The SBA's Export Express, International Trade Loan and Export Working Capital Program (EWCP) are designed to help support small business exporters. SBA provides participating lenders with up to a 90% guaranty on amounts up to \$5 Million to facilitate the small business loan and or line of credit.

**We look forward to seeing you there.**
