

2017 Summer YouthWorks

Montgomery County Workforce Division

In 2016, over 2,300 Montgomery County youth were placed at nearly 500 work sites in various industries. The youths' wages were provided through state and county funds, which is a tremendous benefit to the participating businesses. This collaboration provides the work experience and guidance needed to create a strong and informed future workforce. Thank you for your participation!

In 2017, YouthWorks will continue to provide employment opportunities for young people that will help shape their future and create a generation of career informed youth.

In order to provide the most benefit to the youth, we need you and 499 other employers to provide sufficient work sites for another successful year!

Montgomery County will:

- Approve applications
- Contribute the salary for the youth
- Issue Workers Compensation insurance
- Provide job readiness training
- Perform job coaching services for all youth
- The employer agreement is available online at OhioMeansJobs.com/Montgomery

Participating businesses will:

- Identify positions, required skills, and attire for participating youth
- Employ youth between the ages of 14-18 for 8 weeks during the summer of 2017
- Agree to deliver a valuable work experience and knowledge of your industry by training, mentoring, and evaluating the youth

To participate, contact YouthWorks at
YouthWorks@jfs.ohio.gov

3rd Friday – North Dayton and West Chester

4th Friday – Beavercreek and Oakwood

For information on speakers and how to register, please visit <http://www.bbb.org/dayton/events/>.

USDA Rural Development Business & Cooperative Programs

Rural Development is pleased to announce important changes to the Business & Industry (B&I) Loan Guarantee Program. These changes will better serve rural communities by helping lenders provide loans to businesses and helping to increase employment opportunities for rural residents. These changes include but are not limited to:

- Removal of the U.S. Citizenship requirement for companies wanting to use the B&I loan guarantee to increase employment in rural areas. The applicant company will need to demonstrate the loan funds will remain in the United States and will be invested in the rural community to create and retain employment opportunities.

- Owner subordinated debt may be included as equity provided the debt was established in exchange for cash and the debt remains in the company for the life of the guaranteed loan. This change can help applicants meet the minimum tangible balance sheet equity requirements of the program. Minimum tangible balance sheet equity for an existing business is 10% while a startup business is 20%. All financial statements must be prepared according to Generally Accepted Accounting Principles.
- New Market Tax Credit projects are now be eligible for assistance through the B&I program. Subordinated debt made by the Community Development Entity can be considered as equity into a project. This is another means of helping the business meet the minimum tangible balance sheet equity requirements.
- The guarantee fee can be reduced to 1% of the guaranteed portion for businesses that support value added agriculture; promotes access to healthy foods; or is a high impact business development investment.
- Loan guarantees can for agricultural production can be 50% or \$5MM, whichever is less, of vertically integrated businesses. This is a substantial increase from the previous agricultural production maximum amount of \$1,000,000.

Should you have any questions regarding these changes or if you would like additional information on the B&I Loan Guarantee Program, please contact one the Business Programs Staff listed below. We are willing to provide training or outreach on these new regulations should that be necessary to effectively implement this program within your organization.

Sustainability Luncheon

From Vision to Reality- Smart Cities & Civic Engagement

**Dayton Regional Green Sustainability Luncheon Co-hosted with ASHRAE-Dayton
and USGBC-OH SW Region**

In 2016, Columbus was announced a winner of an unprecedented \$40 Million Smart City Challenge aimed at providing a spark for social equity and revolutionize their transportation systems. Same year, City of Indianapolis held a 24-hour monster brain-storming Climathon session with the citizens who cared about climate change and wanted to make their corner of the world a better place (you read it right, 24 hours- no sleep!).

Join us on May 24 to explore how municipalities can further local sustainability by engaging community and stakeholders and take it from vision to reality!

UPDATING WORK CULTURES FOR MILLENNIALS

May 25, 2017 • 8-9:30 a.m. • \$15 per person

Montgomery County Business Solutions Center
1435 Cincinnati St., Suite 300 • Dayton

The millennial workforce has the highest rate of unemployment and underemployment in the U.S. The number of millennials recently surpassed every generational group, and companies needing talent are missing out on the largest segment of the available workforce.

This session focuses on the unique work expectations and motivators to attract and engage millennials in your organization.

Presented in partnership with ConnexHR

The **Sinclair Sunrise Series** is a monthly breakfast briefing featuring prominent speakers from throughout the region sharing their expertise and insight.

This engaging series is built around leading-edge topics, providing participants with insight into successful strategies that are designed to have an immediate impact on businesses and organizations.

Visit workforce.sinclair.edu for upcoming topics, times, venue information, and to register.

QUESTIONS?
 You can register online by visiting our website at www.i70-75.org, or fax 937-535-1284. For questions, call (937) 535-1034 or email mdavis@moraineoh.org.

We made it! After months of intense work we and the Air Force Research Laboratory are ready to move into our new center in the emerging Downtown Innovation District.

I hope you will be able to attend our Ribbon Cutting & Open House on Thursday May 25th. The ribbon cutting will begin at 3:00 pm, followed by a chance to see the collaborative space and talk to representatives of the Small Business Hub, WBI Commercialization team, AFRL Maker Hub and AFRL Summer of Innovation research team.

Please RSVP at <http://www.signupgenius.com/go/5080F44A9AB2AA6F85-ribbon>

Parking will be available in the church parking lot next to our center, on-street and at the 2nd Street Market. (Parking Map attached) We will have handicap and DV parking in the side lot of the 444 building.

Thank you!

LIFE CYCLE INDUSTRY DAYS

13-15 SEPTEMBER 2017

UNIVERSITY OF DAYTON RIVER CAMPUS - DAYTON, OHIO

SAVE *the* DATE

AFLCMC Life Cycle Industry Days

13-15 September 2017

University of Dayton River Campus

1700 S. Patterson Blvd, Dayton, Ohio

Our goals for this year's Life Cycle Industry Days are to continue existing and forge new relationships between government and industry senior leaders and their multifunctional teams; provide a forum to discuss short and long-term requirements; and provide an opportunity for large and small business to discuss possible partnerships. We will provide current and projected warfighting requirements, emerging technologies, and cost saving/innovative initiatives. We continue to work closely with our industry partners to ensure we maximize the return on investment for all who attend.

Based on 2016 feedback from you, we're including an increased focus on panel for a more interactive experience. We're planning panels discussing: Supply Chain Management, PEO/CEO Roundtable, Intelligence, Product Support, Weapon System Cyber Security and Propulsion. We're also adding specific sessions for PEO portfolio reviews. There truly is something for all.

Register Online Today!
