Ohio Manufacturing Extension Partnership (MEP) Program

Ohio MEP helps Ohio's small and medium-sized manufacturers to increase sales, create jobs and generate cost savings through technological innovation, workforce training and improved management practices. Small and medium-sized manufacturing companies are critical to Ohio, representing 90% of job growth for high-paying jobs. For every new manufacturing job that is created or retained, three to five supporting jobs are also created. Contact Dorinda Byers (byers.18@osu.edu) or Susan Foltz (susan.foltz@development.ohio.gov) to learn more.

Need Help Marketing Your Products or Services Internationally?

The **International Market Access Grant for Exporters (IMAGE)** program helps small businesses increase exports and create jobs in Ohio's economy. The program reimburses at a 50% rate, capped at \$12,500 per eligible approved applicant. The IMAGE program is funded, in part, through the Small Business Administration's State Trade Expansion Program (STEP). For more information about the IMAGE program, visit:

www.image.development.ohio.gov.

Ohio EPA Resource Guide for Businesses and Communities

Ohio EPA's Division of Environmental and Financial Assistance (DEFA) provides several compliance, technical and financial assistance programs available to help Ohio communities and businesses with their environmental needs. These services and relevant contact information are summarized in their "Resource Guide" which is available to view and download at:

<http://epa.ohio.gov/Portals/29/documents/ocs/ResourceGuide.pdf>

For questions about the guide, please contact [Peimaan Fallah](#) at (614) 644-3666.

USDA, Rural Development, Business & Industry Loan Guarantee Program has funding available for Fiscal Year 2019!

The USDA, Rural Development, Business & Industry Loan Guarantee Program can provide loan guarantees for the purpose of:

- Acquiring new businesses or expanding existing businesses;
- Purchasing and improving real estate;
- Purchasing machinery & equipment;
- refinancing outstanding debt; and
- providing term working capital.

Projects prioritized by headquarters are those projects intended to further enhance the rural economies by providing well-paying employment, essential community services and long term investments. These priority projects include:

- Broadband; high-speed internet connectivity.
- Commercially available unmanned technologies.
- Food distribution such as grocery stores and food manufacturing along with agritourism and biotechnology.
- Advancement of energy security by boosting production of energy from natural gas, oil, coal and renewables.
- A focus on "made in America" including projects for infrastructure, distribution, and value-chain participants.
- Projects that advance the quality of life. For example modern utilities, medical services, and for the treatment and recovery of opioid addiction.
- Advancement of career training and development.

The loan guarantee can be used to provide better rates and terms to the businesses you serve while reducing lender risk. In addition to reducing risk, the issuance of the loan guarantee can allow for additional fee income through the sale of the guaranteed portion on the secondary market.

Should there be an opportunity to consider financing one of these projects, please keep these programs in mind. There are guarantees of 80% for loans up to \$5,000,000; 70% for loans of \$5,000,000 - \$10,000,000, and 60% on loans over \$10,000,000.

Please contact a staff member listed below to schedule a time to meet to further discuss the program and its advantages.

Attention Manufacturers:

Do you want to hire students who are eager to work and ready to gain valuable experience?

We're partnering with area schools to identify high school students who have studied and developed manufacturing-related skills. Now you have the opportunity to place them in your company through an internship program offered by the Ohio Manufacturing Extension Partnership (MEP).

The **Ohio MEP High School Internship Program** assists manufacturers with their workforce needs and provides financial assistance for hiring local high school and career technical students as interns. The program is available to manufacturers hosting high school interns between October 1, 2018 and September 30, 2019.

What advantage does having student interns offer?

Contribute to developing your future manufacturing workforce.

Connect with your schools to ensure that students are work-ready.

Get cash-back for 50% of student wages up to \$1,500 per student.

Last year, 80% of the interns placed across Ohio were employed at the end of their internship!

See how two companies benefited from the Ohio MEP High School Internship Program in these two success stories:

<http://bit.ly/SwagelokSuccess>

<http://bit.ly/EngineticsSuccess>

How does the program work?

1. If you are in the process of hiring or considering hiring a High School intern for manufacturing operations, contact FASTLANE.
2. Agree to provide a work-based learning experience as directed by the school and state requirements.
3. Submit forms & agree to participate in a simple Economic Impact survey.
4. Receive a reimbursement of 50% of student wages (up to \$1,500 per student).

Let the Ohio MEP High School Internship Program work for you!
