Ann Riegle Crichton
Chapter Chair

The Dayton Chapter of SCORE was founded in 1970 as a nonprofit volunteer organization to assist the Small Business Administration (SBA) in helping grass roots profit and nonprofit businesses to start and grow in the Miami Valley area.

As an entrepreneur, you sometimes need to leave the "office" behind and connect with other people who share common interests and challenges.

Women in Business Networking hosts an annual conference each year that is especially for business women, and it includes so many great speakers, a wonderful networking lunch and opportunities for small business owners to host an exhibit table.

Visit the registration page for full details or email ARiegle@daytonmetrolibrary.org for more information about being an exhibitor or sponsor. Hope to see you there.

SCORE helps you succeed!
Check out one of our latest success stories.

Small Business Success: Access Advocates

After 17 years as an architect designing ADA-compliant buildings, Hank Falstad started the program ACCESS Watchdogs in Wheelchairs, allowing people with disabilities to report on buildings in the lodging industry that failed to meet ADA standards. In 2012, Watchdogs in Wheelchairs evolved into Access Advocates. Through Access Advocates, people with disabilities can make complaints about specific buildings, and Access Advocates audits the building and takes legal action on behalf of the individual who reported the building. The work of Access Advocates is improving accessibility across the country, one building at a time.

How SCORE helped: SCORE mentors helped Falstad develop the basic structure for his business, preparing him to rebrand as Access Advocates. Mentor Bob Cushman helped Falstad with marketing and partnering with law firms and lawyers.

In 2018, Access Advocates worked on over 150 cases. Falstad's goal is to work up to 1,000 cases per year.

Idea sharing takes flight with inaugural City2City trip

Explore and learn with the Dayton Area Chamber of Commerce through City2City, an annual metro exchange trip that invites our business leaders to explore best practices and lessons learned from cities that experience challenges and opportunities similar to the Dayton region. For our inaugural trip, we'll visit Minneapolis-St. Paul to see how the southeastern Minnesota region has embraced its "Twin Cities" status. Through our sister chambers of commerce, you'll get access to executives from companies like 3M, Star Tribune, Mayo Clinic and Taylor Corporation.
