

Resource Partner Coworking Event

July 20, 2017 8:30am-2:30pm

**Montgomery County
Business Solutions Center
1435 Cincinnati Street | Suite 300 | Dayton**

Next week's **BusinessFirst!** event will be a co-working event for Resource Partners and Jurisdictions on July 20, 2017 at the Business Solutions Center (BSC).

Co-working events are a great way to create new connections and find unique approaches to solve problems faced by businesses in the Greater Dayton Region. Bring your laptop, a project you're doing, and get working!

The BSC is your office for the whole day or just for a few hours. We have a quiet room if you want to focus more and tables that are shareable. There will also be a couple private offices if you want to have a one-on-one conversation.

Bounce ideas off of people. Have a conversation with that person you keep meaning to call. Meet new resource partners. Get away from your own office and focus on a special project. There is a lot that can happen in a few hours!

We will have our regular BF! meeting at 9:30, but you can come earlier and grab some donuts or coffee. We are also providing lunch (including a top-secret speaker!) for those of you who can attend.

Please RSVP for the BusinessFirst! Coworking Event by **Tuesday, July 18, 2017** so that we can order food. Send your name, organization or business name to SwartzA@mcohoio.org.
